P3 KIDZ ON CAMPUS

DISCOVER THE MINER IN YOU!

Go Miners!

Professional and Public Programs (P3) is a proud part of the University of Texas at El Paso family, and as such, is always looking for opportunities to provide support for the university’s student body. This year, P3 Kidz on Campus offered graphic design students the opportunity to design the graphic for the P3 Kidz on Campus summer camp T-shirts.

P3 would like to give our appreciation to Antonio Castro H. (UTEP faculty member and Graphic Design Instructor), whose collaboration was critical in this endeavor, as well as to the Spring 2016 Graphic Design Level 6 class. Each design submitted was of the best quality and met the high expectations which P3 is known for.

Last, but not least, congratulations to Ms. Ivette I. Gonzalez, whose design allowed her the opportunity to be selected and featured in this catalog.

For a Sneak Preview of the P3 Kidz on Campus T-shirt follow our Facebook account.

Selected summer campers will receive a free T-shirt with Ms. Gonzalez’s design. See page 5 for more details.

On the Cover:

Special thanks to our Professional and Public Programs students for taking an active role in the design for the photo collage of this Summer 2016 catalog by serving as ambassadors of the multiple services we provide through our programs in the Paso del Norte region. Go Miners!

Neither this course catalog nor any part of it may be reproduced, stored in a retrieval system, or transmitted in any form or by any means electronic, mechanical, photocopying, recording or otherwise, without the permission of the Professional and Public Programs at UTEP – Extended University.

All information in the Summer 2016 Course Catalog is checked and verified to the best of the department’s ability, however the program cannot be held responsible for any mistake or omission enclosed in the publication.
Information
For information on Professional & Public Programs course offerings, policies or registration, call (915) 747–5142, fax (915) 747–5538 or drop by the Professional & Public Programs Office on the UTEP campus, at Suite 102, Monday through Friday, 8 am to 5 p.m.

Registration Confirmation & Room Assignment
A confirmation will be e-mailed to you within 48 hours with all pertinent course information. Classes are located on campus unless noted otherwise. A participation form will be attached to be filled out for each participant. Please bring the completed form to ensure prompt check in.

Course Fees
Professional & Public Programs is committed to offering quality programs at affordable prices. Course fees are based on an estimated minimum number of students. Professional & Public Programs is self–sustaining; course fees cover all expenses. No support is received from state or local taxes.

Participation Guidelines
Participants, or their representatives, who behave in a manner which is disruptive to the learning process, interferes with the well–being of other participants or staff, or causes damage to University or contracted facilities, may be asked not to return to the class.

Special Accommodations/Needs
If you have a disability and require special accommodations, please contact us at (915) 747–5142 or ppp@utep.edu

Register Early
A class is closed when it reaches maximum enrollment, so please register early. Classes that do not meet the minimum enrollment will be canceled. Registrants will be notified of course cancellations by phone and e–mail. Please provide day and evening phone numbers, as well as an e–mail address, with your registration. Refunds will be processed automatically for courses canceled by Professional & Public Programs. Please allow two to three weeks for processing.

Professional & Public Programs reserves the right to cancel any course. Class locations, dates, times and instructors are subject to change.

Refund/Credit Voucher Policy
To keep cost as low as possible, we have instituted the following refund and credit policy. For your protection, we ask that you carefully review the terms below. Exceptions will not be made.

If you choose to withdraw from a course for any reason, your written request must be received by Professional & Public Programs three business days prior to the first class meeting. A full refund of your registration, less a $15 processing fee per course and cost of materials and/or lab fees, will be given. Please allow two to three weeks for processing. Refund requests must include your name, daytime telephone number, the course number or name, and reason for dropping the course. Telephone requests will not be accepted.

Please note: Certain courses are governed by their own refund policy, which will be noted in the course descriptions or brochures.

Credit vouchers will be given when a class is dropped within one to two business days prior to the first class meeting. Vouchers must be used toward another class of equal or greater value no later than Aug. 31, 2017. Each voucher will be issued in the amount of the registration, less a $15 processing fee and cost of materials and/or lab fees. Credit voucher requests must include your name, daytime telephone number, and the course number or name. Telephone requests will not be accepted.

Please note: Certain courses are governed by their own voucher policy, which will be noted in the course descriptions or brochures.

No refunds will be given on or after the first class meeting. A $25 fee will be charged for returned or canceled checks.

P3 Kidz on Campus Summer Programs offers 9 weeks, beginning June 6, 2016, of grade-specific summer camps for kids entering kindergarten through 12th grade. Each week will offer educational, fun, creative, active, and cultural experiences.

P3 Kidz on Campus camps are limited in size, and spaces are assigned on a first-come, first-serve basis. Grade-level requirements are given in terms of the grade the student will be entering in Fall 2016. Camps are subject to cancellation due to insufficient enrollment.

P3 Kidz Abroad offers children entering 1st through 8th grade the opportunity to participate in various one-week language and culture exploration experiences. Choose to transport your minds to France, Italy, Mexico, and Russia. Children may also participate in programs for English as a Second Language. All programs feature cultural activities and language development.

P3 Kidz on the Move is a program component that is integrated in selective weekly camps. This program is based on the philosophy of developing strong bodies in partnership with strong minds.

It focuses on skill-building, coordination, teamwork, and goal-setting in a non-competitive physical atmosphere.

Looking what is new, immersed in the fabulous world of Digital Technology (DT). DT includes: Minecraft, Lego, and Animation courses.

Look for the P3 Kidz Abroad Camps, P3 Kidz on the Move, and P3 Kidz Digital Technology icons to identify if your camp includes this program. See our camps at a glance calendar on pages 12-15.

LOCATION
All classes are held on the UTEP campus. Room location confirmations will be mailed no later than one week prior to the first day of class.

EXTENDED DAY OPTION
(ENTERING KINDERGARTEN TO 8TH GRADE)
Extended stay is ideal for busy parents who need to bring their kids a little earlier in the morning and/or leave them a little later in the afternoon. The Extended Day option offers supervised activities and fun from 7:30 to 9 a.m., 4 to 5:30 p.m., and lunch supervision through the lunch period (12 to 1 p.m.). Lunch will not be provided, children must bring their own lunches. The cost is $20 per week for morning and afternoon sessions ($18 during the week of July 4th). The cost is $10 per week should you choose supervised lunch ($8 during the week of July 4th). Register for these options as you would any other course.

M, Tu, W, Th and F 9 a.m. to 12 p.m.

Everyday Physics  
In this course, students will learn the underlying principles of Physics and Physical Science. Experiments conducted in class include, creating parachutes, a rubber band powered “car,” and much more.

Course: 16SKSC21A2  
Fee: $80    Meetings: 5  
Day/Time: 6/13 - 6/17  
M, Tu, W, Th and F 9 a.m. to 12 p.m.

Imagination Art Factory  
In this class, students will as discuss the artistic elements of surrealism and cubism; additionally, they will create mixed media craft projects using what they have learned.

Course: 16SKAR41P2  
Fee: $80    Meetings: 5  
Day/Time: 6/27 - 7/1  
M, Tu, W, Th and F 1 to 4 p.m.

Jr. Mad Scientists in the Lab!  
Engage in an expansive science adventure, as you traverse the fields of Chemistry, Anatomy, Biology, Astronomy, and many more. Additionally, students will tinker with experimentation, through exercises such as: making moon sand, a mini-rocket, a volcano, taking apart an owl pellet, examining the scales of a snake, and much more.

Course: 16SKSC61A2  
Fee: $80    Meetings: 5  
Day/Time: 7/11 - 7/15  
M, Tu, W, Th and F 9 a.m. to 12 p.m.

Jr. Science Wizards and Magical Creatures!  
Science and magic fans alike will enjoy fun and unique experiments such as: color-changing potions and paints, quicksand goo, making soda explode, egg folding, bubble bouncing, and much more.

Course: 16SKSC51P1  
Fee: $73    Meetings: 4  
Day/Time: 7/5 - 7/8  
Tu, W, Th and F 1 to 4 p.m.

Kreative Krafting  
Unleash your creative side by creating a wide array of art projects, such as: hamburger collages, egg carton masks, tissue paper painting, and much more. Through the use of these hands-on activities, students will improve upon their creativity and develop problem-solving skills.

Course: 16SKAR11A2  
Fee: $80    Meetings: 5  
Day/Time: 6/6 - 6/10  
M, Tu, W, Th and F 9 a.m. to 12 p.m.
Lab Food Chemistry
Students will learn about the fundamental principles of Chemistry, with a focus on the states of matter (solid, liquid, and gas). The subject matter is enhanced through experimentation with food (ice cream, rock candy, etc.).
Course: 16SKSC11P2
Fee: $80  Meetings: 5
Day/Time: 6/6 - 6/10
M, Tu, W, Th and F 1 to 4 p.m.

Magical Experiments
Science and magic fans alike will enjoy fun and unique experiments in an effort to better explain the effects of magnetism and chemical reactions.
Course: 16SKSC71A2
Fee: $80  Meetings: 5
Day/Time: 7/18 - 7/22
M, Tu, W, Th and F 9 a.m. to 12 p.m.

Marvelous Math
Marvelous Math is full of hands-on activities that will help children understand concepts such as addition, subtraction and comparing objects by measurable attributes. An understanding of place value and basic money concepts will also be addressed.
Course: 16SKMT91A1
Fee: $80  Meetings: 5
Day/Time: 8/1 - 8/5
M, Tu, W, Th and F 9 a.m. to 12 p.m.

Mental Math with Mind Games
This course will teach primary students to quickly complete math equations in their head. Topics include: using patterns, the base-ten system, addition, subtraction and much more. At the end of the course, students will improve their speed, level, and accuracy in Math.
Course: 16SKMT41A1
Fee: $143  Meetings: 5
Day/Time: 6/27 - 7/1

Course: 16SKMT81P2
Fee: $143  Meetings: 5
Day/Time: 7/25 - 7/29
M, Tu, W, Th and F 1 to 4 p.m.

Petit Leaders
In this course, students will recognize and develop the characteristics (organization, optimistic, supportive, courageous, etc.) needed to become a great leader.
Course: 16SKLH61P1
Fee: $80  Meetings: 5
Day/Time: 7/11 - 7/15
M, Tu, W, Th and F 1 to 4 p.m.

Science Extravaganza
Students will participate in a variety of fun scientific experiments in a wide array of Science-based disciplines (Physical, Earth and Life Science).
Course: 16SKSC61P2
Fee: $80  Meetings: 5
Day/Time: 7/11 - 7/15
M, Tu, W, Th and F 1 to 4 p.m.

Science Lost in Space
Through this course, students will explore the universe and learn all about the planets and solar system. Additionally, students will create their own solar system model using the knowledge acquired during the course.
Course: 16SKSC41P1
Fee: $80  Meetings: 5
Day/Time: 6/27 - 7/1
M, Tu, W, Th and F 1 to 4 p.m.

Scrapbook Scribbles
Remember all the fun you had this summer by creating a journal/storybook using mixed media materials (paper, magazines, fabric, glue, paint, etc.) in this fun and exciting course.

M, Tu, W, Th and F 1 to 4 p.m.

Smart Start Sports
Through this course, students will build upon their developmental skills in an effort to enhance their performance in different sports. Additionally, students will practice hitting, kicking, catching, and throwing balls.
Course: 16SKHF21P1
Fee: $80  Meetings: 5
Day/Time: 6/13 - 6/17
M, Tu, W, Th and F 1 to 4 p.m.
Course: 16SKHF71P2
Fee: $80  Meetings: 5
Day/Time: 7/18 - 7/22
M, Tu, W, Th and F 1 to 4 p.m.

Spanish for Kidz
This course helps children enhance their understanding of the Spanish language. Topics to be discussed include: the alphabet, everyday greetings, numbers, colors, shapes, days of the week, and much more.
Course: 16SLYS41A2
Fee: $80  Meetings: 5
Day/Time: 6/27 - 7/1
M, Tu, W, Th and F 9 a.m. to 12 p.m.

Spooky Halloween Science Lab!
Learn all about spooky scientific themes, wherein topics, such as zombies, werewolves, vampires will be discussed. Additionally, students will engage in experiments such as: making creepy cobwebs, lizard slime, melting a witch, creating strange glowing mixtures, and much more.
The Crazy Chemistry Lab!
This class allows students to see a crazier side to the subject of Chemistry. Various wacky exercises and experiments will be conducted, such as walking on raw eggs, mixing up chemicals to great explosions, growing edible polymers, and much more.

The World Is My Stage: Children Theatre Camp
This course will help your child develop artistic, expressive and cognitive skills through acting. Students will learn acting techniques and activities using their voices, bodies and emotions. They will work with short scenes and plays which will be showcased at the end of the course.

Expect focused, measurable results!

The Technical Report Writing Workshop has enhanced the transition from police recruit to police officer full circle in regards to report writing. The 3 part approach to law enforcement report writing has been a huge success in giving our new officers a better look and to really understand the impact and high importance of documenting police incidents. Dr. Hendricks from UTEP took the time to put together a well-rounded program and teach it to our new officers with a fun and enjoyable approach."

If you have a disability and require special accommodations, please call (915) 747–5142. Please contact our office three weeks prior to start of a class.

COURSE CANCELLATION POLICY
In order to ensure courses reach their minimum number of participants, we highly recommend you register early. P3 reserves the right to cancel any class that does not meet the minimum enrollment required or in case of any unforeseen circumstances. Registrants will be notified of course cancellations by phone and e-mail. Refunds will be processed automatically for courses canceled by Professional and Public Programs.

NOTE: P3 reserves the right to change the location, day, time and instructor.

PAYMENT OPTIONS
Professional and Public Programs (P3) has a new Pre-Payment Plan designed to make registration payments even easier for your educational needs. In order to utilize this payment service, you must first enroll in a P3 course, either in person at 102 Kelly Hall (located on the UTEP Campus) or by phone at (915) 747-5142. This free payment plan will allow you to make payments up to 5 days before the course is scheduled to begin, allowing the course to be paid in full before the start date.

Please note that any class not paid in full prior to the 5-day start date will incur a $25 processing fee and result in the participant being dropped from the class.

FINANCING OPTIONS
The Sallie Mae Smart Option Student Loan and other private loans are available for selected courses with registration fees greater than $1,000.

These interest-free payment plans allow you to spread out the registration fees cost over the course duration. Plans are administered directly by Sallie Mae. Visit www.salliemae.com/00366198 for more information.

PRIVATE LOAN OPTIONS
Private student loans are not part of the federal student loan program and require a credit check. You may borrow from any lender you choose; however, some private loans are only eligible for credit courses and do not cover continuing education classes. Borrowing fees and coverage vary between lenders, so compare costs and choose the program that’s right for you.

THIRD PARTY BILLING
Professional and Public Programs will accept third party billing on behalf of a participant as a form of payment. The participant must submit a letter of credit from his/her employer, in which the employer agrees to make payment for the participant’s registration fees. The letter must state that the employer will make payment upon receipt of an invoice from P3. It must also state that payment is not contingent upon the participant’s course grades. Please contact (915) 747-5142 or ppp@utep.edu for more information.
